A pixelated scene of a house with a red-tiled roof and a person on a lawn. The house has a grey facade with several windows, some of which are blue. A red-tiled roof covers the main part of the house. In the foreground, a person with dark hair, wearing a white shirt and dark pants, stands on a green lawn. To the left, there are some potted plants. In the background, there are more trees and a blue sky. A large white box with a black border is overlaid on the scene, containing the text "Enter input" and "help".
