

# Communication and Iteration of Visual Effects in Red Faction: Armageddon

**Dave Samuel**

Senior Visual Effects Artist

volition inc®

GAME DEVELOPERS CONFERENCE

SAN FRANCISCO, CA  
MARCH 5-9, 2012  
EXPO DATES: MARCH 7-9

2012

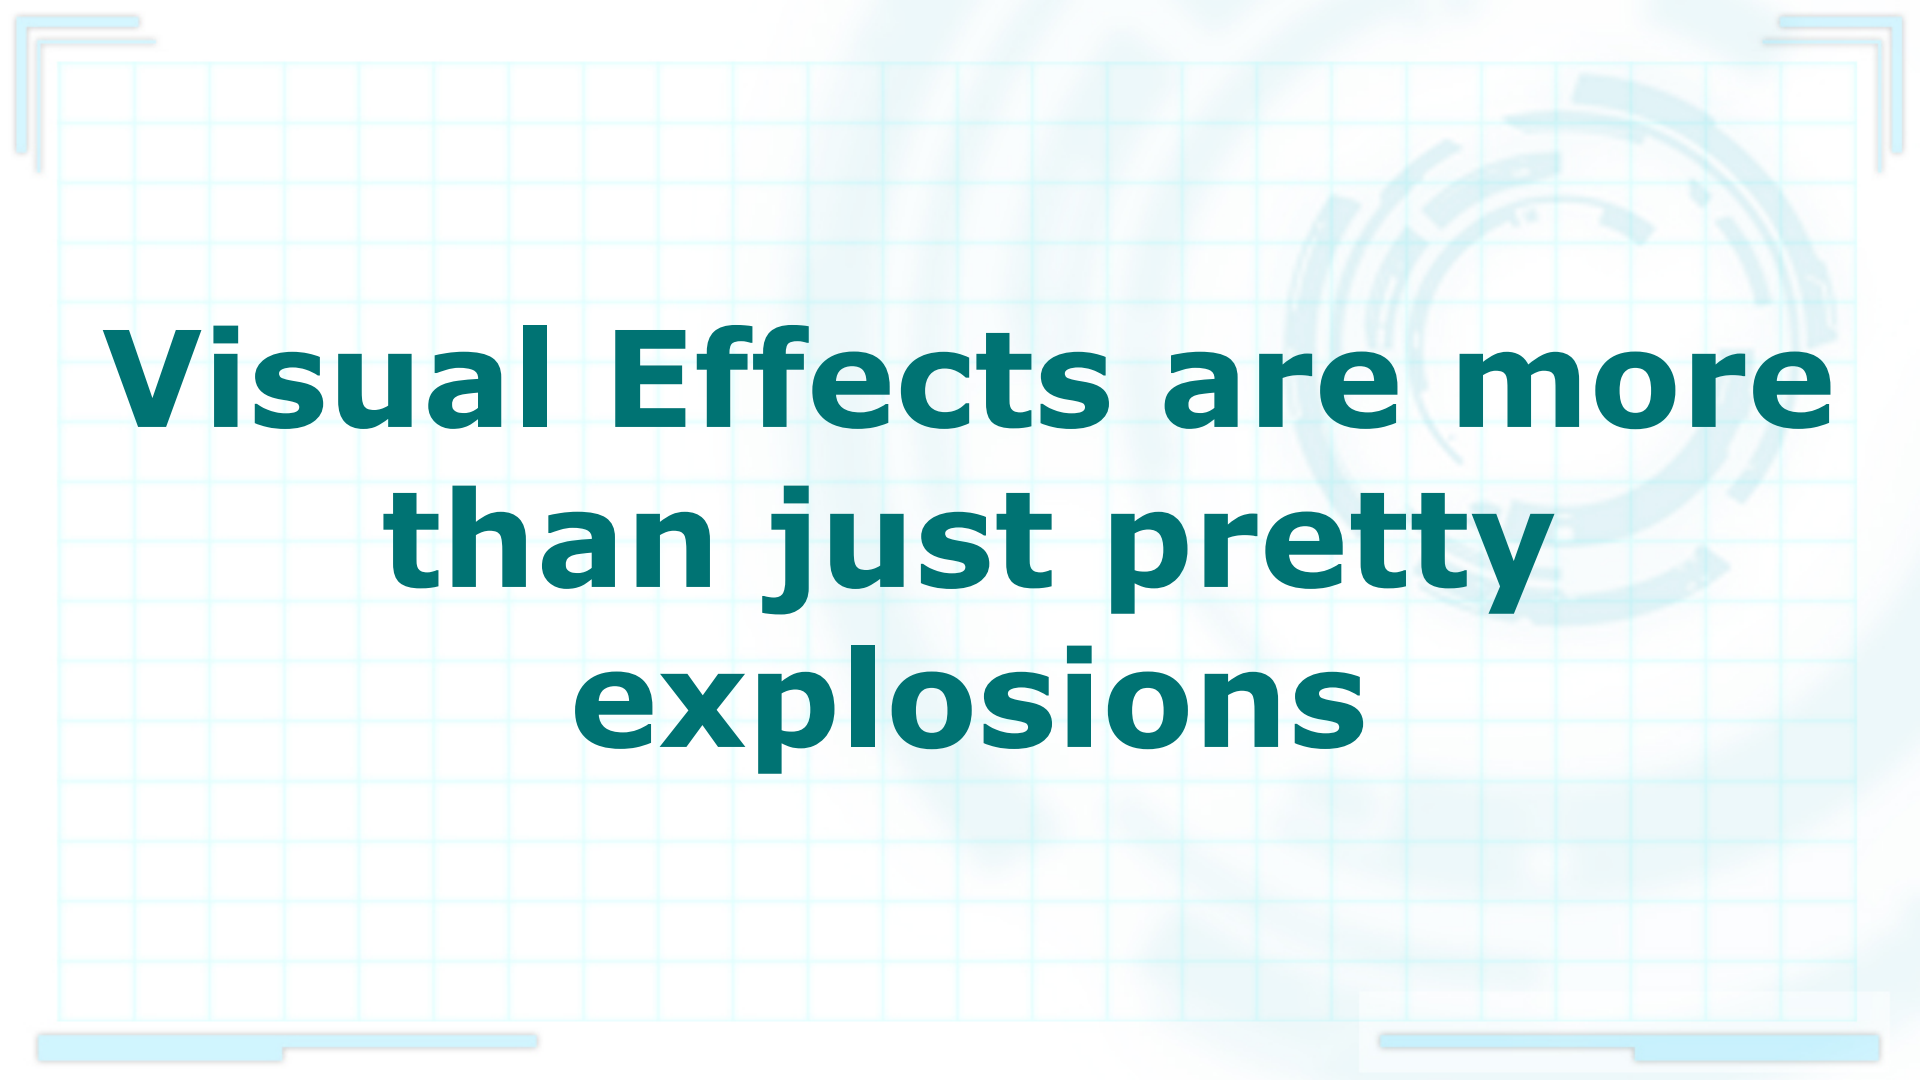

## Real-time Destruction

**Destructive  
Vs.  
Non-Destructive**

**Visual Effects are more  
than just pretty  
explosions**

# Visual Communication & Iteration

# Visual Communication

**“What an effect is telling me”**

***I HIT SOMETHING!***

*They have different colors...  
Maybe they do different things?*

*Context is  
Everything*

*Feel the Weapon*

VFX Over The Top

*Slow*

Pace of Game

*Fast*

# **Weapon VFX Communication**

# Color Spectrum: Factions and Tech

# Color Spectrum: Alien

Alien

# **Weakspot Communication**

***SHOOT THE  
GLOWING GEM!***

# **Explosive Barrel Communication & Iteration**

# Iteration

**“The tweaks made to an effect until final”**

# Iteration Workflow

*Ingame  
Iteration*

*Final*

**Final Version**

A stylized illustration of a city street grid. A small car is positioned on one of the streets. A hand is shown pointing to a specific intersection on the grid. The text "Final Version" is overlaid in the center of the image.
