# The “Digital Marina Abramović Institute” Is a Big Dumb Joke

By Tyler Coates on Sep 11, 2013 11:00am

If you were one of the 4,765 people who gave money to the [Marina Abramović Institute](#), congratulations: together, you pulled together over \$600,000 to fund an 8-bit computer game through which you will learn the dedication needed to become a world-famous, super-rich performance artist.

## FEEDBACK FORM

I CRAVE THE RELAXATION  
AND THOUGHT MY CHARACTER  
WAS ABLE TO FEEL  
THROUGHOUT THE GAME!  
HOWEVER, I WISH IT  
WOULD'VE GONE ON LONGER!  
I WANT MORE THOUGHT, MORE  
RELAXATION, MORE FEELING.

## FEEDBACK FORM

BEFORE I STARTED I WAS  
STRUGGLING WITH THE SIGNS  
OF MY CLINICAL DEPRESSION  
AND COULDN'T BRING MYSELF  
TO GET UP AND CLEAN MY  
APARTMENT BECAUSE I WAS  
SO PHYSICALLY,  
EMOTIONALLY, AND MENTALLY  
DRAINED, BUT NOW I  
ACTUALLY FEEL FOCUSED AND  
MOTIVATED! I'M A LITTLE  
SURPRISED TO BE HONEST!
