The background of the slide is a movie poster for Transformers. It features Optimus Prime on the left and Megatron on the right, both in their robot forms. In the center, two small figures of Optimus Prime and Megatron stand on a rocky surface, looking out over a city at night. The word "TRANSFORMERS" is written in large, metallic, blue letters at the bottom. The word "PROTECT" is on the bottom left and "DESTROY" is on the bottom right.
