What is the trail our  
players have been  
following?

GAME DEVELOPERS CONFERENCE | July 19-23, 2021 | #GDC21

We live in a  
whimsical Candy  
world!

...with baby animals!

And... um, robots, I think. That looks like a robot head.

And...  
Wait, is that a  
whale... in space?

GDC<sup>®</sup>

GAME DEVELOPERS CONFERENCE | July 19-23, 2021 | #GDC21

And... I guess there  
are pirates also,  
because why not?

GDC<sup>®</sup>

GAME DEVELOPERS CONFERENCE | July 19-23, 2021 | #GDC21

Okay, just a minute. Is  
that space whale?

But dressed up as  
cupid?

With a Dolly Parton wig?

Story became arbitrary, characters became decorations

# Very few players have awareness of any detail around the characters

“Aside from their name do you know anything else about these characters? That could be what their history in the game is, what they are trying to achieve or whether they are connected, anything at all!”

In 2018 players were tested on awareness around characters. We saw the results as a challenge and opportunity.
