Some Notes on Raw Data

- We refer to unparsed reviews as raw data
 - The information is “raw” & almost unusable
 - Reviews may contain raw emotional feedback 🤬
- Utilise routine and self-care 🍵
- Normalise emotions OK
- Enforce healthy boundaries 🙅

Clean up your data

- Remove/hide excess columns
- Triple check your tags for typos!
- Split your tags
- Do any other conversions as needed
 - Eg, unix timestamps to dates
 - Rename version numbers for ease
