Este año, debido al escenario del COVID 19, la Women Game Jam será en línea. El tema será revelado el primer día del evento y todos los equipos tendrán 10 días (del 21 al 30 de agosto) para crear un juego que desarrolle el tema. Puede ser un juego análogo o digital, esto depende del acuerdo al que llegue el equipo. Al final del evento, el equipo envía el juego a nuestra página en itch.io y también podrán ver los juegos de las demás participantes.
